

GLAMP

Women's Retreat Weekend | September 27-29, 2024 Program Provider Opportunities

Dear Prospective GLAMP 2024 Program Providers,

Girl Scouts of Southeastern New England is excited to announce a new fundraising experience focused on spotlighting the beauty and uniqueness of the Council's iconic Girl Scout camps. GSSNE camp properties have provided thousands of youth with unforgettable experiences—fun, friendships, and proximity to the natural world—for generations. Now more than ever, spending time in nature is linked to many positive mental health outcomes, critical for youth today after the trauma of COVID and our country's subsequent mental health crisis.

Less than 2% of our country's overall philanthropic support goes to organizations dedicated to women and girls. GLAMP is a new form of giving, highlighting our natural resources and assets while engaging new and existing community members through skill-sharing, camaraderie, and connections.

GLAMP is a weekend retreat for women, a place to reconnect with nature for a good cause! All funds raised through GLAMP will bolster our camp programs and properties, ensuring that future generations continue to benefit from enriching outdoor experiences.

Join us as a Glamp Program Provider

GLAMP plans to offer a full range of patch-earning activities and programs—this is where you come in!

As a program provider, you will:

- Run two hour-long sessions for Glampers on Saturday, September 28, 2024
- Create program experiences that are focused on fun, learning, and self-care
- Opportunities to connect with women and build a network

Program providers receive:

- Program budget for materials (up to \$200)
- Verbal, written, and social media shout-outs leading up to, during, and after GLAMP
- Advertising opportunities through welcome swag bags and programming
- Attendee list

Space is limited, so contact Lisa Ducharme at lducharme@gssne.org soon!
