You don’t have to be a Girl Scout to unleash your Girl Scout strong!

Dear Caregivers,

Girl Scout summer camp…it brings back such amazing childhood memories for me! I hope you hold a fondness in your heart as you think of the memories made in your youth. How exciting that you and your Girl Scout (or soon to be Girl Scout) can now enjoy mapping out memories for summer 2019!

Although warmer weather seems like it’s far away, we publish the GSSNE Camp Guide in December because we know that families have already started making their summer plans. What better time to dream of warm and sunny days than when it’s cold and snowy?

Girl Scout programs are special any time of year, but in my experience, camp provides one of the best opportunities to flourish and reap the benefits of Girl Scouting. At GSSNE Girl Scout Camp, your Girl Scout will:

• Develop a stronger sense of self
  She’ll feel pride in navigating her “home away from home”—learning that she’s got what it takes to be independent! She’ll also try many new things that she’ll delight in mastering!

• Display positive values
  She’ll come to have a greater respect for the natural world as she goes exploring among the trees! Imagine how she develops a greater appreciation for the importance of respecting others while moving through the woods together.

• Seek challenges and learn resilience
  Think of how she’ll feel when her arrow hits the target in archery or maneuvers successfully in the water while swimming or boating. Maybe she won’t at first feel comfortable with a new experience like the ropes course or teaching her unit a new song, but imagine her growth as she tries and eventually succeeds!

• Form and maintain healthy relationships
  Imagine the friendships she’ll make at camp! I know women, including myself, who still maintain friendships formed at Girl Scout Camp! These are the friendships that last because they are real!

• Learn to identify and solve problems in her camp community
  Negotiating group norms especially with girls of differing needs can be challenging, but once your girl learns how to respect herself and others by negotiating kapers (camp chores) or getting up with her buddy in the night, she’ll take the skill through life!

This Camp Guide is chocked full of fun programs built to unleash your girl’s inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™.

Go-getter: Try an overnight program at Overnight Camp or Summer Outdoor Series.

Innovator: Participate in STEM activities at Day or Overnight Camp.

Risk-taker: Take on the high ropes course or rock wall.

Leader: Harness leadership skills by joining fun teen leadership programs.

We can’t wait to see what you and your girl decide to try…and we’ll be with you both every step of the way to support her summer journey!

Yours in Girl Scouting,

Pamela J. Hyland
Chief Executive Officer
Girl Scouts of Southeastern New England
Our camps offer girls a safe space to enjoy traditional camp activities, explore their interests, and discover the outdoors. Campers follow the Girl Scout Promise and Law as they participate in girl-led activities that teach valuable life skills like self-reliance, leadership, and perseverance under the guidance of caring, well-trained staff.

We have four Day Camps located throughout Rhode Island and Massachusetts: Cookie, Green Forest, Promising Acres, and Rocky Farm. Camp Hoffman, our Overnight Camp located in West Kingston, Rhode Island, is a wonderful way for girls to increase their independence by living away from home. No matter the camp, Girl Scouts of Southeastern New England (GSSNE) provides all girls with the opportunity to enjoy traditional camp activities, develop a deep appreciation for nature, and create cherished memories with their Girl Scout family.

We’re Accredited
All Girl Scouts of Southeastern New England camps are proudly accredited by the American Camp Association. This means that our camps comply with more than 300 industry-established standards in health, safety, and program. For more information about what accreditation means to you and your camper, visit www.campparents.org/funsafety. All GSSNE camps follow ACA guidelines and state laws, in addition to Girl Scouts of the USA’s guidelines.
Calling all Go-getters who are up to the challenge of new experiences, all Innovators who are ready to take creativity to the next level, all Risk-takers who are ready to tackle our adventure programs, and all Leaders who are ready to blaze their own camp path!

At Girl Scout Camp we know the value of offering a supportive empowering environment, where every girl can lead, and no two days are alike. When choosing the right camp for your girl we know you have a tough decision, so we re-designed our guide with you in mind!

We want to make it easier for you to decide if Overnight Camp is right for your camper so check out our helpful quiz on page 7. To better plan the 2019 camp season we’ve created an easy to read grid to show which programs will be offered throughout the summer! We’ve even expanded our Day Camp section to explain a bit more of what we do at camp, and streamlined our overnight section to be more user-friendly. All of this was done to better assist you in making the right choice for you and your camper and we hope you like it!

The summer of 2019 will see additional older girl offerings for our overnight campers and a special weekend event. All of our campers will be working towards badges like never before through new themed programs at our Day Camps and Overnight Camp. Campers will even have more opportunities to give Overnight Camp a chance with added mini sessions. And finally, for the first time ever, campers will have the chance to complete a Journey during select weeks at Camp Hoffman—how cool!

We can’t wait to show you all of the amazing things we have planned for the summer. Adventure awaits every G.I.R.L. at our camps—get ready for a transformative Girl Scout camp experience!

Counselors cultivate each camper’s ability to make sense of the world based on personal observations and experiences! Campers are given opportunities to try activities and tasks on their own and are provided adult assistance when needed.

THE COUNSELORS: Our staff are trained, caring, and hilariously FUN! They have cool camp names and make every day unforgettable. If you come to Overnight Camp this summer, you’ll even meet counselors from around the world! In summer 2018, our international staff came from Australia, England, Germany, Ireland, Poland, Russia and Scotland!

Come discover why camp life is the best life!

Camp means something different to every girl, but we can say with confidence that Girl Scout Camp will be both meaningful and memorable. Our camps offer programs that are an integral part of the Girl Scout Leadership Experience.

Our Day Camps typically run Monday through Friday and provide girls entering grades 1-12 a safe and caring environment where they can try new experiences, meet friends and explore the outdoors. Best of all—activities are girl-led, meaning campers help choose their camp adventure. Learn about wildlife with nature activities, cool off with water games, practice archery skills—camp fun is never in short supply! Girls entering grades 6 and up have the opportunity to earn leadership awards in programs like Program Aide Training and through completion of Program Aide, BuddyUp and Waterways Apprenticeships. Read on to learn more about each of our awesome camps!

**THURSDAY LATE NIGHTS:** Did you know you can stay late on Thursday evenings at all of our Day Camps? If you don’t want the fun of Day Camp to end, stay late with us on Thursdays for campfires, s’mores, games, and much more! Late night programming ends at 7:00 p.m. at Camp Rocky Farm, and 7:30 p.m. at all other Day Camps. If your camper is not attending the Thursday Late Night option, please pick-up at your Day Camp at 4:00 p.m. (bus transportation will not be available on Thursday afternoon).

**EXTENDED DAY CAMP AT GREEN FOREST:** This summer, for an additional $15.00 fee, Camp Green Forest campers can stay until 5:30 p.m. and be picked up on site Monday, Tuesday, Wednesday, and Friday. Please be sure to select this option during registration.

**TRANSPORTATION: Take the Bus!**
The camp experience begins with songs, laughter, and meeting new friends on the bus ride to camp. Bus transportation is included with every Day Camp registration and you can select your preferred bus stop! Due to requests received by several local towns, we require that campers at Camp Promising Acres (with the exception of early drop-off/late pick-up campers) take the bus to and from camp each day. Bus transportation is optional for Camp Cookie, Camp Green Forest, and Camp Rocky Farm. **Important note:** Due to normal morning and afternoon traffic delays, our buses are occasionally delayed! Please plan to be available for a 30-minute window during both your bus stop drop-off and pick-up times. Any adult picking up a camper will be required to show photo ID.

**EARLY DROP OFF AND LATE PICK UP AVAILABLE AT CAMP PROMISING ACRES:** We know working families can use some help with early drop off and late pick up hours! This summer for an additional $30.00 fee, Camp Promising Acres campers can arrive as early as 7:30 a.m. for drop off and can stay until 5:30 p.m. for on-site pick up. Please be sure to select this option during registration.

CAMP HOFFMAN
2850 Ministerial Road, West Kingston, RI 02892

Founded in 1921, Camp Hoffman is one of the oldest Girl Scout camps in the country, and sits on 173 acres on Larkin Pond. Camp Hoffman emphasizes high adventure and waterfront activities, and is where you’ll meet our incredible camp counselors! General camp activities may include: archery, rock wall, swimming (lessons and free swim), boating, team building activities, high and low ropes challenge courses, GaGa Ball, sports and games, arts & crafts, hiking, and cookouts. We hope to see you in 2021 for our 100th birthday party!

What to Expect
Overnight Camp is lots of fun and you may be faced with some new challenges, too! Each day you will get to do different activities from boating to archery, no two days of camp are ever alike. All of our programs offer our traditional camp activities, with an added twist based off of the theme you choose to register for. Don’t worry, just because an activity may not be listed under the program, you will still get to participate in all that camp has to offer from cookouts to camp skills.

Please note we do not provide flashlights, bug nets, bug spray, or sunscreen—please pack your own!

CAMP LINGO

Campcraft: Camping activities where girls build skills in fire building, knife safety, knots, Leave No Trace Camping and more.

Greenies: Girl Scouts used to wear their uniforms at camp called greenies—dark green shorts with white cotton blouses. Today we continue to honor this tradition with a modern twist; each evening for dinner we ask campers to wear khaki shorts with a white shirt.

Hootenanny: Girl Scout sing-alongs and skits take place during this special last night Overnight Camp tradition where awards are presented to campers.

Kapers: A kaper is the special Girl Scout way to say "chores." As Girl Scouts, our camps belong to all of us, and it’s up to everyone to help keep them clean! We schedule time for girls to do camp-wide kapers and kapers at their cabins/units each day.

Me Time: Every day campers rest by having some quiet “me” time in their unit. This time is designed for mail and letter writing, reading books, taking naps or playing quiet games.

Polar Bear: An early morning swim. Campers earn a special pin for daily participation in this camp activity!

Road Runner: An early morning run. Campers earn a special pin for daily participation in this camp activity!

SWAPS: A tradition of Girl Scouts is exchanging keepsakes. Referred to as “Special Whatchamacallits Affectionately Pinned Somewhere” or “Share With A Pal.”

All payment balances are due in full by the registration deadline for your camp session (2 weeks prior). GSSNE reserves the right to cancel any registration not paid in full by the registration deadline.

Girls not currently registered as Girl Scouts are required to pay a one-time membership fee of $35. This GSUSA membership is valid through September 30, 2019.

Registration Deadlines

Camp Paperwork
Physicals are no longer required to attend any of our camps, including Promising Acres! We hope this makes the paperwork process a little bit easier for our families. A full list of immunizations signed by a physician, will be required at Promising Acres due to Massachusetts State Law.

All camp attendees must complete a Transportation Release Form and Health History Form during the online registration process. Adult campers attending the Summer Outdoor Series campouts must also complete the same forms for safety and accreditation reasons.

Cancellations and refund requests must be submitted and received at the GSSNE Office by the program’s registration deadline. Until the registration deadline, a full refund less the $35 deposit per person will be granted.

In the event of GSSNE cancelling a camp program due to low enrollment, families will be contacted to discuss a transfer to another program, or to receive a refund.

In all other circumstances, any monies paid (less the nonrefundable, nontransferable deposit) will be refunded only if:

• The camper is placed on a waitlist or if the financial assistance amount requested is not fully granted.
• The camper cannot attend due to illness or injury. A letter from a physician must accompany a written request for the refund.
• The camper is sent home from camp due to illness or injury. Refunds are prorated in such cases and will be made only at the written request of the parent/guardian.

Please note that refunds will not be given if the camper leaves early for any other reason (including homesickness). Refunds will also not be issued due to inclement weather.

A $15 transfer fee will be applied to a camper’s registration balance each time a change is made to a camper’s session, program, or camp (unless the change is requested by GSSNE, due to program cancellation).
Financial Aid
At Girl Scouts, we believe that camp is for every girl. We’re pleased to be able to offer financial assistance in order to give more girls the opportunity to experience Girl Scout Camp.

To apply, complete the Financial Assistance Application and register online to make your deposit.

Please note: You must register online before your Financial Assistance Application will be processed. Notification of financial assistance granted will be made within three weeks of submission. If financial assistance is requested, Summer Camp Cookie Credits will be applied first.

The deadline to submit the Financial Assistance Application is the registration deadline for the chosen camp program.

What are Summer Camp Cookie Credits?
Girl Scout Cookies can power an amazing adventure! All registered girls participating in the GSSNE Cookie Sale Program earn $.20 per package, which may then be applied to the cost of a GSSNE Day Camp or Overnight Camp program.

Credits may be pooled by sisters in the same family. The deadline for Summer Camp Cookie Credit transfers is 12:30 p.m. on April 16, 2019.

Campers with Medical or Dietary Needs
Families of girls with special dietary needs, allergies, airborne allergies, mobility limitations, or health conditions requiring particular awareness should contact customercare@gssne.org prior to registration to determine if Girl Scouts of Southeastern New England is able to make reasonable accommodations for the camper. Please note that certain accommodations may be difficult to make given the camping environment.

You’re Never Too Old for Camp!
Do you know an awesome college student, teacher, high school graduate, or anyone else that would be excited to work and live at Overnight Camp for the summer? They could be a Camp Hoffman staff member! Did you know that multiple studies have found that a summer of working at camp is more valuable than an internship? You learn important skills such as teamwork, leadership, working under pressure, and time management! We love people who are fun, flexible, and energetic. If you, or someone you know, would like to be a part of the Camp Hoffman team, contact us at customercare@gssne.org.

Adults, you can spend your summer at camp, too! Apply to be a Day Camp staff member today. Have a camper? Day Camp staff members can score a camper discount! Contact us at customercare@gssne.org for more information.
