Who We Are: Girl Scouts of Southeastern New England

Girl Scouts of Southeastern New England (GSSNE) is one of 112 Girl Scout councils in the United States. Our council includes girls from all over Rhode Island; from Pawcatuck, Connecticut; and from 13 communities in southeastern MA: Bellingham, Blackstone, Attleboro, Fall River, North Attleboro, Plainville, Somerset, Swansea, Westport, Wrentham, Millville, Rehoboth and Seekonk. In 2015, Girl Scouts of Southeastern New England served over 7,000 girls in grades K-12 in partnership with 2,600 adult volunteers. Our non-profit organization is a 501 (c) (3).

GSSNE is proudly home to the Girl Scout Leadership Experience Center which provides girls in kindergarten through twelfth grade with a wide variety of leadership opportunities. The center encourages increased skill-building and responsibility, and also the development of strong leadership and decision-making skills.

We encourage all girls to take the lead by being a “G.I.R.L.” – a Go-Getter, Innovator, Risk-taker and Leader!

As an intern with GSSNE, you are offered opportunities to learn, grow and contribute to our mission of building girls of courage, confidence and character, who make the world a better place. You can have a real impact on the girls we serve!

“Thank you for the wonderful opportunity to intern for GSSNE this summer. I felt like I was contributing something valuable to the organization through your encouragement and by allowing me to take the lead on projects. It was such a positive, supportive and affirming environment!”

– Richelle Hurley, Communications Intern - Summer '16
