

Family Adult Permission and Responsibility Form 2022-2023 Cookie Product Program

The Girl Scout Cookie Program is important to troops and councils. For troops, the program provides funds to support troop activities, events, camping, and service projects. For councils, the program provides funds to recruit and train adult volunteers, organize Girl Scout troops, provide council-wide programs showcasing STEM and leadership skills, and provide financial assistance so anyone can have access to the opportunities that Girl Scouts offer.

My Girl Scout _____, a member of Troop # _____ has my permission to participate in the 2022-2023 GSSNE Cookie Program. In doing so I accept financial responsibility for all the products and money they receive and will pay the troop in full by March 27, 2023. Failure to pay by the due date will result in collection efforts. I also recognize that my child may be restricted from participating in Girl Scout activities until paid in full. I will see that they do not sell before the official starting date (December 17, 2022) and that they will always have adult guidance.

Please sign and return this form to your troop leader before beginning the cookie season.
