

Family Partnership Campaign

Did you know it takes \$543 to provide a girl with one year of Girl Scouting?

With 6,500 girls in the GSSNE council that equates to over 3.5 million dollars a year!

With the \$10 GSSNE council registration fee that stays local, less than 2% of that 3.5 million is generated to provide an amazing and inspirational Girl Scout experience.

So, how can you help?

Families of girls in Girl Scouts see the benefits of our programs firsthand which is why many people choose to make a donation to GSSNE through the **Family Partnership Campaign**. 100% of a gift to Family Partnership stays locally and directly supports girls in our council.

The Family Partnership Campaign is a great way for you to partner with GSSNE to help us continue to offer top-notch program development, support our well-trained volunteers, and provide family friendly council wide events—just to name a few! We've broken down our suggested girl registration amount below, but your contribution of any amount, at any time of year, to the Family Partnership Campaign is greatly appreciated!

GSSNE Girl Registration Breakdown 2017-2018 Membership Year

GSUSA fee: \$25.00

GSSNE council fee: \$10.00

Suggested Family Partnership Donation: \$10.00

Watching her grow in Girl Scouting: **Priceless**

To donate to the GSSNE Family Partnership Campaign, visit www.gssne.org -> DONATE + or donate during membership registration!
