

# Agent of Change: Online Journey

**Tuesdays 10:00–11:30**

**March 24th–April 28, 2020**

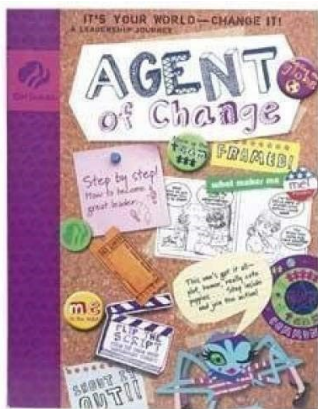

Join Juniors from around the state for this unique Journey program. Over the course of six online sessions, every Tuesday, from March 24th–April 28th, explore powerful women throughout history, and learn how you can create your own powerful team to make a change in the community!

This is an intensive program and girls will be responsible for completing pre- and post-work for each session. Girls will need to complete a take action project at the end of the on-line portion of the journey.

Participants will have access to a Google Classroom where digital copies of all necessary materials, group discussions, and webinar recordings will be held.

\*Important\* Communication will be directly with the girl.

When registering, please include the email address where the girl can be reached. School email addresses do not work with the Google Classroom platform; Gmail, Hotmail, AOL yahoo, etc. email addresses work best. (For: Troops, Individuals)

Webinar Topics Include:

- *Discovering my Power*
- *Great Leaders and Great Teams*
- *Learn, Listen, Act! Taking Ideas to Actions*

Fee: \$20 per girl (Troops or Individual girls)

Register: [www.gsofct.org](http://www.gsofct.org), choose activities, then girl events

Register by: March 23rd, 2020
