

GSSNE Program Boxes

Not sure how to present a badge or journey or how to add STEM to your scout year? Let the Girl Experience Team help! Programs in a box are kits with everything you need to present and run a program, event, activity, or badge with Girl Scouts.

This year, GSSNE has revamped our Program Boxes. Now, you are able to check-out individual kits that are better suited for specific activities and your Girl Scout grade level.

- **Reservations for Program Boxes must be made at least 2 weeks in advance** to have the best chance for available boxes. Until an email confirmation has been sent to you stating your Program Box/Kit pick-up date, your box is not guaranteed for pick-up.
- Program Boxes can be taken out from the initial pick-up date for a **maximum of two weeks.**
 - Due to high interest of our Program Boxes, **the two week loan period begins on your assigned pick-up date, not the date you actually pick up the box.**
- **You are responsible.** As the adult picking up the box/kit, you are responsible to replace any items that are broken or damaged that are not consumables.
 - **All boxes and kits are shown with an “Actual Cost”. If a Program Box/Kit is returned damaged or with missing pieces, you are responsible for the actual cost of the program box/kit.**

Reserve Your Program Box here:
