girl scouts of southeastern new england

2027 Camp Cookie Credit Transfer

When a Girl Scout sells cookies, they will receive Cookie Camp Credits in ranges of numbers sold. Girl Scouts may choose to transfer their Cookie Camp Credits to their siblings if they do not plan on attending camp. Girl Scouts whose troop selected opt-out proceeds cannot give or receive Camp Cookie Credits. Camp Cookie Credits cannot be transferred outside of families. This change allowed more funds to be distributed to troops through increased proceeds.

This transfer form must be filled out by the Girl Scout sharing their credit and signed by their parent/caregiver. Transfers must be made in this format only. The form may be photocopied. A Girl Scout may transfer their credits before they know the exact number of cookies sold.

Unused cookie credits support volunteer training, programs, financial aid, equipment, and upkeep of our GSSNE camps.

2027 Cookie Credit Transfer
