

Check out these online resources available to help you throughout the Cookie Program!

GSSNE - gssne.org

Your home for all local cookie resources. Find information for troop volunteers, Girl Scouts, families, and more.

digitalcookie.girlscouts.org

Digital Cookie is the platform where Girl Scouts can manage their cookie business. With features for goal setting, planning, and online marketing, Digital Cookie is an online destination that gives Girl Scouts all the tools and resources they need to be successful and build the 5 Essential Skills that are at the heart of the Girl Scout Cookie Program.

Rallyhood- gssne.org/Rallyhood

GSSNE's new all-in-one platform for Girl Scout communication and collaboration. There are Rallies (groups) for everyone, including a Rally specifically for Girl Scout Product Programs!

abcsmartcookies.com/resources

Fun materials from ABC Bakers, our council's cookie baker. Resources include things like goal charts, artwork, social media graphics, recipes, and allergen information

Flickr.com/photos/abcbakersvolunteergallery/albums

ABC Baker's image library for troops and Girl Scouts to use in marketing their cookie program.

youtube.com/ABCCouncils

The ABC Baker's YouTube channel has helpful training videos, tips, and fun information about everyone's favorite cookies!

GSUSA - girlscouts.org/cookies

The GSUSA website is a great resource for leaders, parents, and girls for Cookie Program information. It is loaded with resources from the Online Safety Pledge to listing requirements for the Cookie Entrepreneur Family Pin.
