

## 2023 Camp Cookie Credit Transfer

When girls sell Girl Scout cookies, they will receive Cookie Camp Credits in ranges of numbers sold. Girls may choose to transfer their Cookie Camp Credits to their sister if they do not plan on attending camp. Girls whose troop selected older girl proceeds cannot give or receive Camp Cookie Credits. Camp Cookie Credits cannot be transferred outside of families. This change allowed more funds to be distributed to troops through increased proceeds.

This transfer form must be filled out by the girl sharing her credit and must be signed by her parent/guardian. Transfers must be made in this format only. The form may be photocopied. A girl may transfer her credit before she knows the exact number of cookies sold.

Unused cookie credits support volunteer training, programs, financial aid, equipment, and upkeep of our GSSNE camps.

---
