girl scouts of southeastern new england

Annual Report

2024-2025

From the CEO

Dear GSSNE Friends, Family, and Supporters,

Welcome to the Fiscal Year 2024 (FY24) and Fiscal Year 2025 (FY25) Annual Report.

Over the past two years, we have been growing stronger—together.

Scholars like Robert D. Putnam have written about the loss of social connection in American life—and what happens when people stop joining. At Girl Scouts of Southeastern New England, we believe in the power of joining a sisterhood. We know that the outcomes lead to thriving youth, families, and communities.

Our priority areas for FY24 and FY25 were inclusion, relevancy, and engagement.

When asked, our Girl Scouts reminded us that they wanted to do 'hard things'—so we answered the call by adding more high-quality, curated programming—only available through Girl Scouts—for our youngest Daisies through our Ambassadors.

I can't tell you how excited I am about attending the 2026 National Council Sessions with our National Delegates. For the first time in our Council's history, the majority of our National Delegates are young people, ready and willing to carry the torch for our Movement—their Movement. In July 2026, I will be accompanied by delegates Emilee Biello, Sophia Dutra, Payton Haworth, and alternates Linda Dutra and Ella Gillheeney, as we participate in what is truly a shining example of democracy.

And we continued to expand our reach—building partnerships that make Girl Scouting accessible to more youth across our region. Through collaborations with schools, nonprofits, and community organizations, GSSNE now serves more than 800 girls each year in historically marginalized communities—young people who might not otherwise have the opportunity to be Girl Scouts.

We continue to honor the traditions that make Girl Scouts so meaningful. The lyrics of the Girl Scout song say it best: "Make new friends, but keep the old; one is silver and the other gold." As a Council, we strive to do exactly that—honoring the traditions that connect generations of Girl Scouts while welcoming new partners, new communities, and new girls into the Movement.

That balance is helping GSSNE grow. By the end of FY25, our Council was one of only 20 in the country to achieve more than 10% membership growth. This milestone reflects the quality of the brand, the dedication of our staff, and the extraordinary commitment of the thousands of volunteers who make Girl Scouting possible.

Rebuilding a vibrant Movement takes time—and it takes all of us.
Thank you for believing in the power of girls and the power of joining.

Yours in service,

Dana

Dana Borrelli-Murray
GSSNE CEO

National Council Delegates, 2025-2028 Term

Emilee Biello | Current Girl Scout | Somerset, MA

Emilee attends Somerset Berkley Regional High School where she participates in various school activities such as color guard, concert choir, and marching band. Outside of school, she does competitive and professional dance, which has secured her a role in the National Honor Society of Dance. Most importantly she's been an active member of Girl Scouts since kindergarten, where she has completed her Girl Scout Gold Award titled “The Arts Of Health And Creation”, after completing her Bronze and Silver awards.

Dana Borrelli-Murray | GSSNE CEO | Cranston, RI

Dana is the CEO of Girl Scouts of Southeastern New England, where she is laser-focused on ensuring that Girl Scouts is the most relevant, engaging, youth-centered, and inclusive leadership development program available. In this role, Dana leads all strategy, creates systems and structures necessary to meet council goals, and designs the ways in which youth discover their personal best and prepare for a positive future, connect with others in an increasingly diverse world, and take action to solve problems and improve their communities.

Sophia Dutra | Young Girl Scout Alum | Pawcatuck, CT

Sophia is a 2025 graduate of Stonington High School where she served as Co-Captain of her Softball Team, served as Stage Manager for 4 years with the SHS Drama Program, and was a member of the Indoor Track Team. Sophia now attends Quinnipiac University majoring in Finance. Sophia joined Girl Scouts as a first-year Daisy in 2012 and graduated after 13 years as part of Pawcatuck Troop 940. Her favorite activities in Girl Scouting were camping at Camp Hoffman with her troop and service unit, leading younger troops in Girl Scouting traditions, and community service events. Sophia also implemented a Recycling Program for Stonington Little League for her Gold Award.

Payton Haworth | Current Girl Scout | Woonsocket, RI

Payton is a student at Woonsocket High School where she focuses on her career pathway, Biotechnology. She is involved in her high school softball and field hockey teams and is a Peer Mentor. She is very active in her city troop and has earned her Bronze and Silver Awards and is working towards earning her Gold Award. Payton’s true interest in Girl Scouts is having the opportunity to experience new things and make memories, such as traveling to Savannah, GA, and attending Camp Hoffman. She is thankful that girls have a safe place to belong to, and she hopes to continue the mission that Juliette Gordon Low set out to provide.

National Council Alternates, 2025-2028 Term

Linda Dutra | Girl Scout Volunteer| Pawcatuck, CT

Linda is the Service Unit Manager for the Westerly – Pawcatuck Service Unit, but her beginnings in Girl Scouting began many years earlier with a five-year-old daughter eagerly seeking a troop to join. Currently, Linda serves as Troop Leader for two Girl Scout Troops. Both troops began as Daisies and Brownies and both troops are now Ambassador Girl Scouts. Outside of Girl Scouting, singing and serving on the Board of Directors with the Chorus of Westerly, playing pickleball, and volunteering in various capacities, Linda works as a Quality Manager at Amgen, a biopharmaceutical company in West Greenwich, RI, where she is also a member of Women Empowered to be Exceptional and serves as a mentor to Amgen Early Career Professionals through Toastmasters.

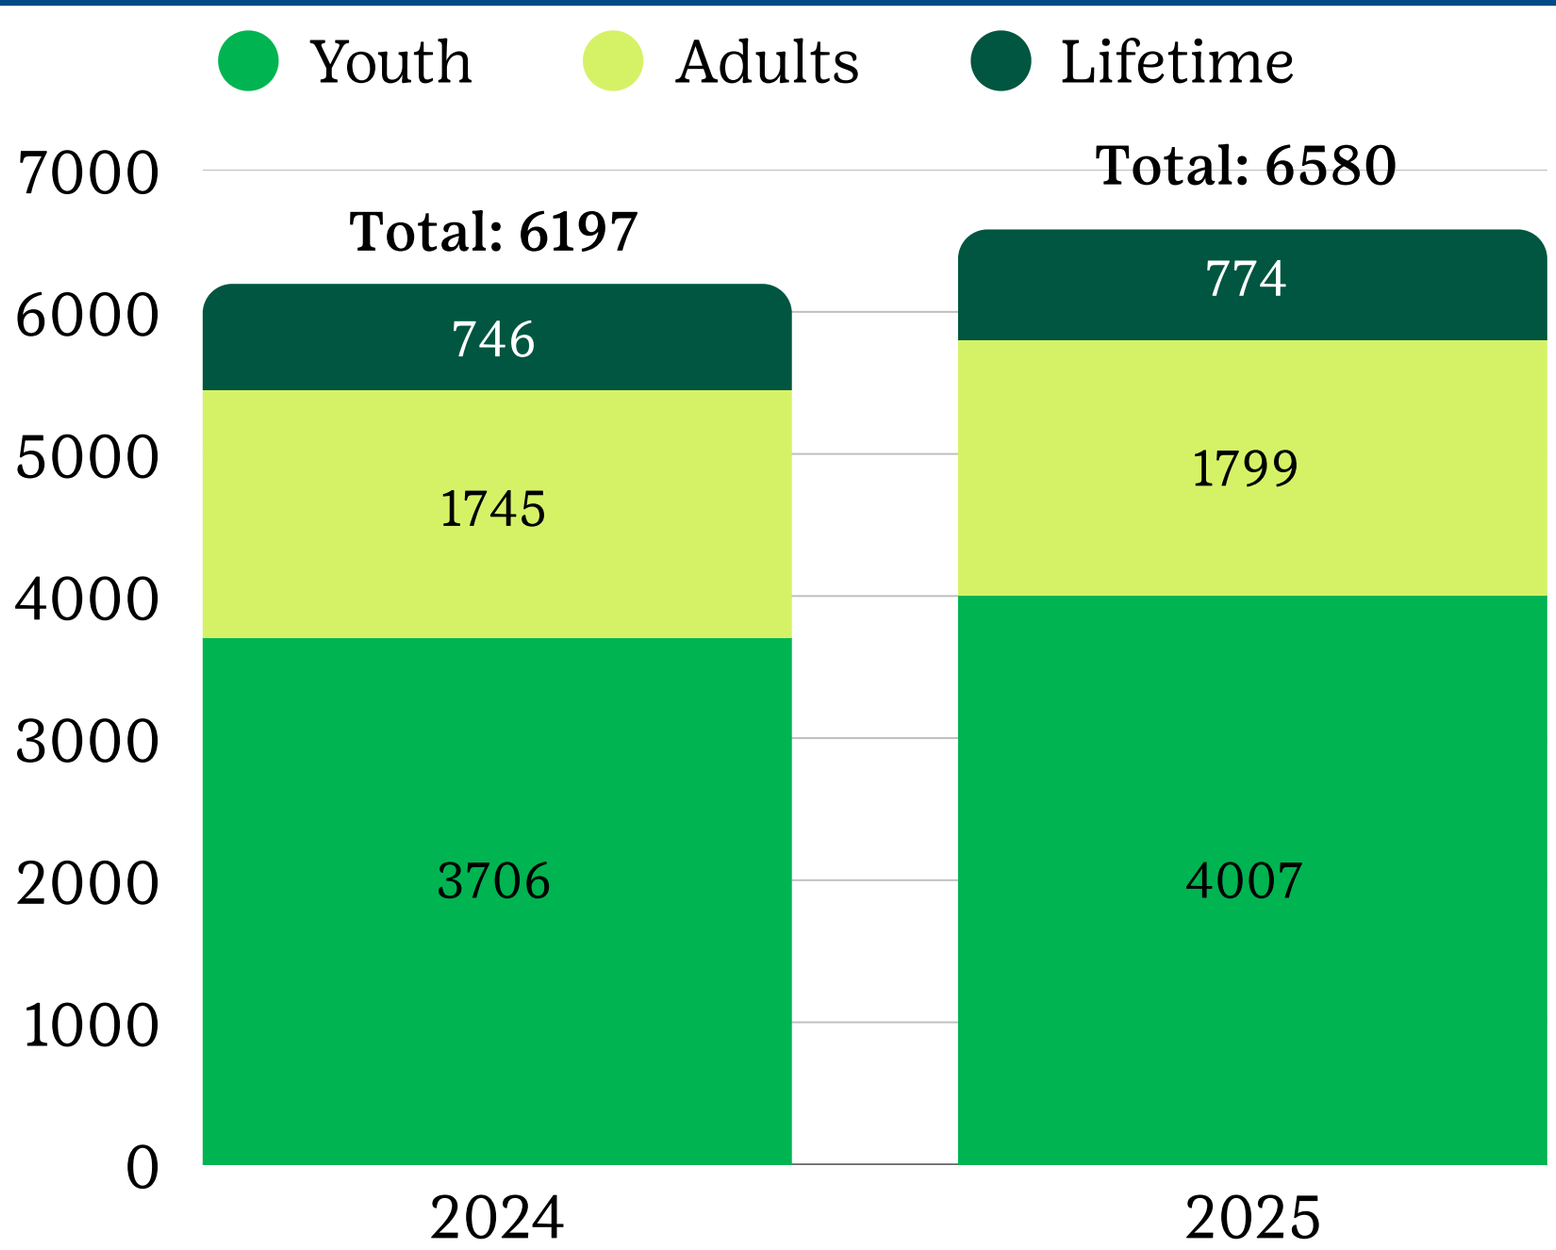

Ella Gillheeney | Current Girl Scout | Warwick, RI

Ella is a student at Cranston High School West pursuing the entrepreneur and leadership program. Beyond the classroom, Ella is an accomplished equestrian who enjoys spending her free time riding her horse, Clutch. Ella’s Girl Scout journey began in 2nd grade, and she has remained with the same troop ever since. Over the years, she has embraced the many opportunities Girl Scouts offers — from impactful community service projects and financial planning to mentoring younger troops. She has also enjoyed watching her younger sister start her Girl Scout journey and often assists with their troop whenever possible.

Programming

Through the Girl Scout Leadership Experience (GSLE)—a collection of badge-earning programs that include entrepreneurship, exploring science, getting outdoors, and giving back through community service projects—we prepare Girl Scouts for a lifetime of leadership, success, and adventure in a safe, no-limits place designed for and by youth.

Girl Scout programming has continued to thrive through the support of grant funding and strong community partnerships—over 35 different partners! These collaborations have helped us to expand our program offerings and expand access to STEM, leadership, outdoor adventure, and life-skills opportunities for Girl Scouts of all backgrounds. By investing in Girl Scout initiatives, funders and partners empower youth to explore new interests, develop confidence, and make a lasting impact in their communities.

Together, we're building the next generation of leaders.

Summer Camp

2024

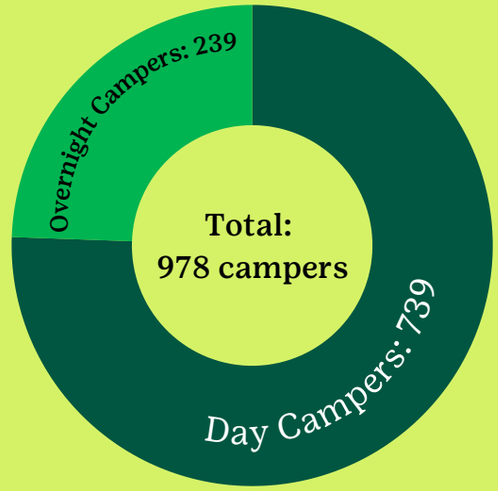

Our Girl Scout summer camp was a tremendous success, bringing together youth from across the community for unforgettable adventures in the outdoors. Campers built confidence, made lifelong friendships, and explored new skills through hands-on activities in STEM, arts, leadership, and environmental stewardship. Thanks to dedicated volunteers, staff, and community support, camp created a safe, empowering space where every child could discover their strengths and shine.

In summer 2025, we partnered with Providence After School Alliance (PASA) to bring more than 40 girls from Providence to Camp Hoffman for four weeks of adventure, learning, and Girl Scout fun. We also welcomed additional campers to Camp Rocky Farm through the All Course Network (ACN), expanding access to outdoor experiences for even more youth. Together, these collaborations helped create an inspiring and memorable summer of growth, friendship, and exploration.

Gold Award Girl Scouts

28
Silver Award Girl Scouts

96
Bronze Award Girl Scouts

At the 2025 Highest Awards Ceremony, GSSNE selected two of our Gold Award Girl Scouts as our Young Women of Distinction. Christine Angelini and Victoria Landry were selected for this honor, and each received a scholarship from Girl Scouts of Southeastern New England. Madison Donnelly was selected as the recipient of the Girl Scouts of the USA's Gold Award Scholarship. Their Gold Award projects demonstrated a clear vision, resolve, and commitment to making the world a better place.

United Nations Commission on the Status of Women

From March 11-22, 2024, four Girl Scouts from our council had the opportunity to travel to New York City for the 68th United Nations Commission on the Status of Women. There, they participated in panel discussions, met world leaders, connected with people from sister Girl Scout councils and World Association of Girl Guides and Girl Scouts (WAGGGS) members, and had the opportunity to explore NYC.

Representing GSSNE were Olivia D'Ambra from Providence, Lily James from Wrentham, Sonam Ngamdung from Middletown, and Amelia Riveire from Tiverton.

They learned about what poverty looks like in different cities and countries, how taking local actions combined with stronger public policies to address issues leads to effective change, and that accessibility to support is key. When they weren't in session, they were able to visit Rockefeller Center, they saw Wicked on Broadway, and some of the Girl Scouts went to the Irish Mission.

Girl Scout Mariners

Girl Scout Mariners has been a part of Girl Scouts' bold history since it was founded in Rhode Island in 1934 by Kit Hammett. It was later introduced to Girl Scouts nationally at a Girl Scout convention in Boston, and was initially one of several "patrols" that included Trailblazers (hiking and camping), Mounted (equestrian), Panorama (general), and Wing (air and flight). Mariners enjoyed water hikes, shakedown cruises, and GAMs (Gathering of All Mariners) while learning critical skills on the water.

The Mariners program at GSSNE—now a vibrant troop of 17 youth—is thriving through hands-on, experiential learning rooted in ocean and environmental exploration. They have expanded their skills and curiosity through trips to Prudence Island, RI and Woods Hole, MA, participating in beach cleanups, learning about educational opportunities with Sea Education Association (SEA), and attended a whale watch adventure. They also strengthened their kayaking abilities through an exciting partnership with L.L.Bean. From coastal stewardship to maritime skill-building, the Mariners are charting a powerful course in leadership, teamwork, and outdoor discovery.

Girl Scout Media Team

The Girl Scout Media Team is a group of dedicated, fearless, and ready-to-lead Girl Scouts who help represent GSSNE in various media opportunities, including yearly visits to television stations, radio stations, social media features, and a photoshoot at Camp Hoffman. They are also given exclusive learning opportunities in areas related to media that vary year-to-year.

In the 2023 - 2024 membership year, the 10 members of the team learned about photography and public speaking. They were also visited by author Hayley Rocco, and illustrator, John Rocco, where they learned about the book creation process.

In the 2024 – 2025 year, the 13-member team went on a tour of the Gamm Theatre and participated in a public speaking activity. Local influencer, Camilla Akbas, spoke with the media team about her life as an influencer. Multiple members participated in a fashion show as part of Rhode Island Fashion Week where they modeled Girl Scout uniforms through the years. And they visited Rhode Island PEG Access TV where the Girl Scouts saw behind the scenes and even filmed their own video content!

Rhody Rockets

After a multi-year hiatus, our Rhody Rockets Canoe Team returned in 2025! After months of practicing at Camp Hoffman's Larkin Pond, they participated in the General Clinton Regatta in New York over Memorial Day Weekend. In the 4-Person Girl Scout Relay in a combined team with the Mean Green & Rhody Rockets they came in 1st place. In the 2-Person Girl Scout Sprint Division I, they placed 5th.

Community Partnership

For over 50 years, our Community Partnership programs have provided Girl Scouting to youth living in underserved communities, at no cost to them or their families, to make Girl Scouting accessible to all. We provide much of this programming with the generous support of donors and grant-making organizations committed to this work.

During the 2024 membership year, we provided school-year and summer programming to 631 youth in 32 troops. In 2024, Community Partnerships troops started their membership year learning about STEM and the Outdoors: they identified symmetry in nature, went on nature scavenger hunts, and learned to tell time with nature. In the winter, they participated in the Girl Scout Cookie Program where they learned essential skills like goal setting, money handling, and customer service. In the spring, they learned a valuable life skill: sewing! They explored art and design, learned about composition, discovered form and fit, and more through the art and skill of sewing.

Community Partnerships spent the 2025 Membership Year learning about Robotics and Coding, learning vocabulary like algorithms, sequences, and variables. In the winter, our troops learned what it means to be a businesswoman by earning their entrepreneurship badges and learning good business ethics. At the end of the school year, the Girl Scouts learned traditions and history! They connected with other Girl Scouts within Rhode Island and across the country. And during the summer, the kids learned all about music and made their own kazoos. They learned vocabulary like rhythm, tone, and pitch. During the 2025 membership year, we provided school-year and summer programming to 808 youth in 21 troops.

Volunteers

Our Girl Scout volunteers are truly the heart of our movement. While GSSNE may have a smaller volunteer base than some larger councils across the country, what we may be missing in numbers, we more than make up for in dedication, generosity, and spirit. Every meeting led, every badge earned, every camping trip organized, and every cookie booth managed reflects the time and love our volunteers pour into building girls of courage, confidence, and character.

From troop leaders guiding weekly adventures, to cookie moms and dads coordinating the largest girl-led entrepreneurial program in the world, to outdoor advocates championing new experiences in nature—and every behind-the-scenes champion in between—our volunteers show up with passion and purpose. They serve as mentors, cheerleaders, organizers, problem-solvers, and role models. Their hearts are big, their commitment is unwavering, and their impact is immeasurable. Because of them, Girl Scouts in our council don't just participate—they thrive.

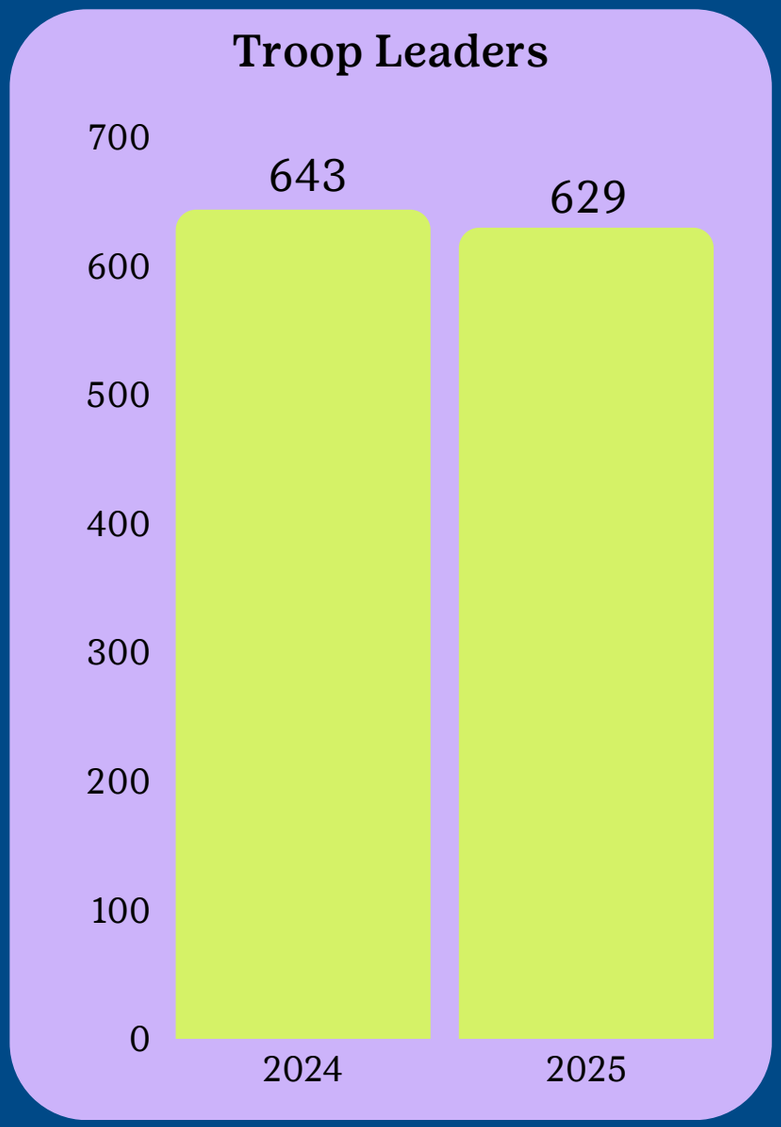

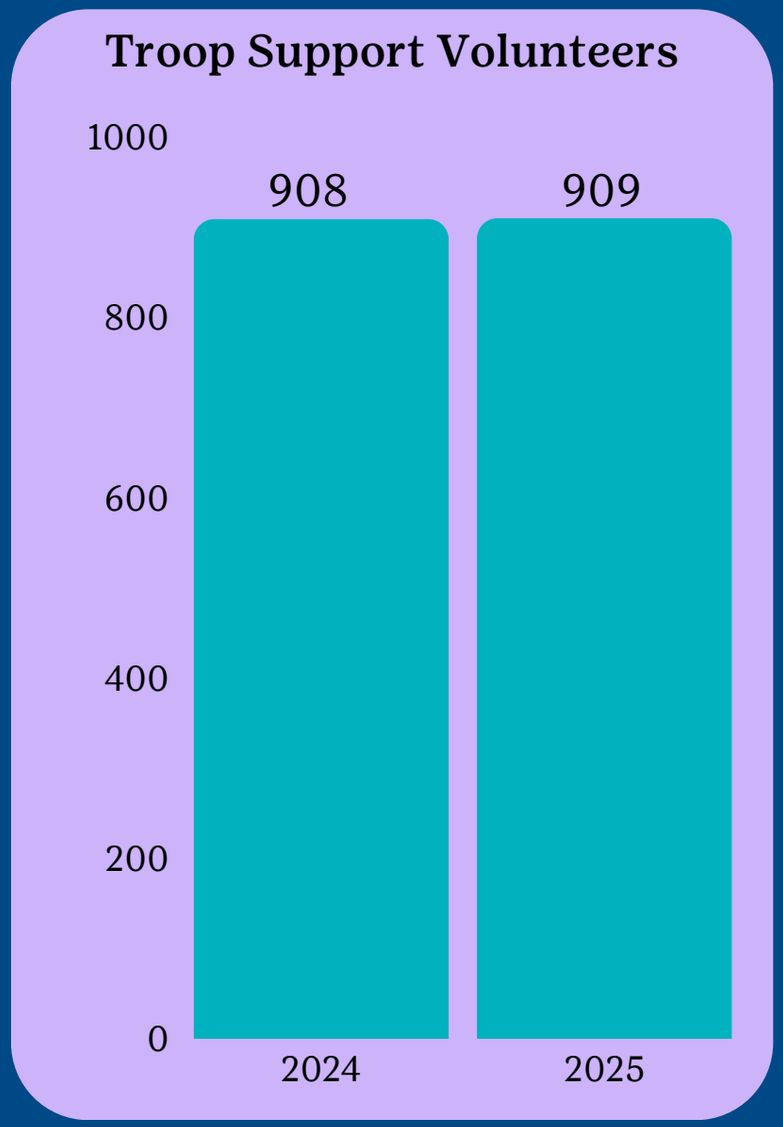

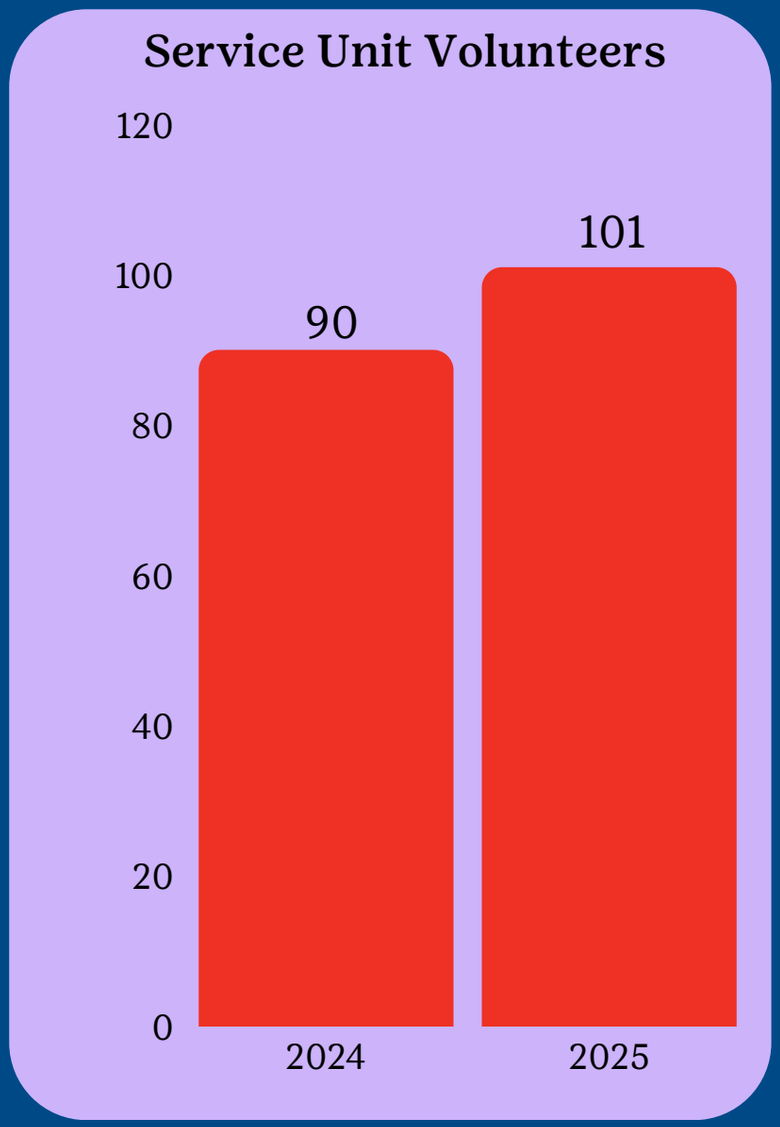

Volunteer Stats

All volunteers play a pivotal role in delivering Girl Scout programming. Troop Leaders create the foundation of the Girl Scout experience, acting as guides and mentors to youth in their communities. They are assisted by Troop Support Volunteers, who help with troop tasks like activity planning, snacks, money management, or first aid. Our Service Unit Volunteers support groups of local troops and act as liaisons between their communities and the GSSNE office. Many volunteers hold multiple roles.

Adult Recognition Recipients 2024

GSSNE has an important annual tradition of recognizing volunteers who make extraordinary contributions to Girl Scouts. The 2024 Adult Recognition Ceremony was held at the Annual Meeting in May.

Fall Product Program

Each September and October, Girl Scouts across our council participate in the Fall Product Program, offering friends and family a variety of delicious nuts, candy, magazines, and other gift items. It's a great way for troops to earn money right at the start of the troop year while learning to work together as a team. Through the program, Girl Scouts build five essential skills—goal setting, decision making, money management, people skills, and business ethics—all while getting a head start on funding their upcoming activities and adventures.

Girl Scout Cookie Program

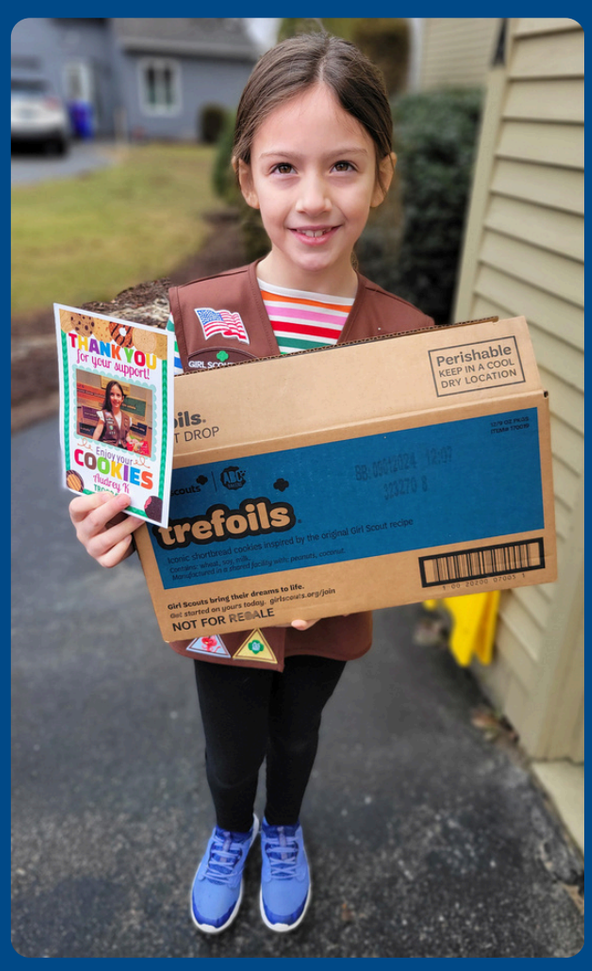

The sale of cookies to finance troop activities began as early as 1917, just five years after Juliette Gordon Low founded Girl Scouts in the United States. The Mistletoe Troop in Muskogee, Oklahoma baked cookies and sold them in their high school cafeteria as a service project.

For more than 100 years, Girl Scouts and their enthusiastic supporters have helped ensure the success of this iconic annual cookie sale—and they've had fun, developed valuable life skills, and made their communities a better place every step of the way. What started as a simple bake sale has evolved into the largest girl-led entrepreneurial program in the world. Today's cookie program uses online selling tools, marketing strategies, financial literacy skills, and community outreach to help Girl Scouts grow in ways early troops could never have imagined.

In many ways, cookies have always been a pathway to self-sufficiency and empowerment. We take pride in the powerful example we help set for Girl Scouts as they work within a supportive program structure—and with a high-quality product—to build real entrepreneurial and leadership skills. Through the Girl Scout Cookie Program, girls go on meaningful adventures, try new activities, fund service projects, and earn awards that build confidence and character. None of this would be possible without the dedication of our volunteers and the continued support of families, friends, and our local communities—THANK YOU!

	2024	2025
Packages Sold	742,716	633,114
Packages Donated	5,855	5,785
Packages Sold Online	36,252	44,148
Per Girl Scout Average Packages Sold	270	227
Troop Proceeds	$647,386	$640,411
Service Unit Proceeds	$4,737	$1,919
Camp Cookie Credits	$139,065	$118,180
Cookie Booths	1,255	1,373
	$2,132 Donation to Wildlife Clinic of RI, Cookie Program Community Service Project Organization	$2,940 Donation to Youth Pride, Inc., Cookie Program Community Service Project Organization

Note: To continue providing exceptional experiences for our Girl Scouts, we increased the price of our traditional varieties of cookies to $6 per package for the 2025 cookie season—but the packages remained the same size as they have been for the past decade! Crucially, we also increased the proceeds that go directly to our troops, which is reflected above with the minimal difference in troop proceeds year over year despite a decrease in the number of packages sold. The additional proceeds reflect our commitment to making the Cookie Program as impactful as possible for our Girl Scouts. This adjustment also allows us to keep funding critical programs, community service projects, and troop activities while ensuring our Girl Scouts can pursue their dreams.

2025 RI Girls Report:
A Profile of Rhode Island Girls

On February 25, 2025, an event was held to officially launch the 2025 RI Girls Report. Gold Award Girl Scout Simone Punchak participated in a panel of young women to discuss the data and insights.

In 2025, the first-ever Rhode Island Girls Report was released. Rhode Island's data was compiled and the report created through a collaborative effort of Blue Cross & Blue Shield of Rhode Island, Brown University School of Public Health, Girls on the Run RI, Girl Scouts of Southeastern New England, Rhode Island for Community & Justice, Rhode Island KIDS COUNT, The Womxn Project Education Fund, and Women's Fund of Rhode Island.

The 2025 RI Girls Report: A Profile of Rhode Island Girls contains research compiled over the past few years on the state of our girls, ages 5 to 18. The Report calculates many indicators about the well-being of Rhode Island's girls and families across three dimensions of wellness: Education, Physical Health, and Mental and Behavioral Health.

It is a comprehensive snapshot of girls' lives in our state. It captures their strengths, the barriers they face, and the urgent need for investment in their futures.

This report is more than just data—it's a call to action. We hope it inspires policymakers, educators, donors, and community members to prioritize the well-being of Rhode Island's girls. They are the future of our state, and when we invest in them, we all thrive.

Properties

Our properties are one of our greatest assets as an organization. For generations, Girl Scout camps have been a place to gather, learn, and explore. A reinvestment in our properties allows us to better serve our current Girl Scouts, as well as the wider New England community.

In Fiscal Year 2024, we completed the sale of Camp Cookie in Chepachet, RI. The net proceeds from the sale will be used towards the maintenance and improvements of our remaining camps, Camp Hoffman and Camp Rocky Farm.

At Camp Hoffman, we kicked off this reinvestment in 2024 as we prepared for our new event, GLAMP: painting and remodeling cabin by cabin, building by building, making our spaces more inviting for Girl Scouts and non-Girl Scouts alike.

At our Warwick Headquarters, we've built an outdoor classroom and invited nonprofits to use our downstairs Leadership Center free of charge. In the past year alone, thousands have plugged our address into their GPS and inquired about our work.

We're also grateful for volunteer corporate teams who have helped us complete projects at Headquarters and at our camps: Citizens Bank's Women Impact Network, DiSanto Priest, General Federation of Women's Clubs-Cranston, Bank of America, and UnitedHealthcare.

GSSNE began the visioning for Camp Rocky Farm in late 2021. Since then, we've completed many steps of the process. During FY24 and FY25, GSSNE completed an intensive feasibility study with 30 stakeholder interviews, which showed unanimous interest in the project as presented and secured foundational lead gifts. Renovation plans successfully advanced through both the Coastal Resources Management Council (CRMC) and the Newport planning and zoning board review processes to acquire all necessary permitting and zoning requirements, and all architectural and construction design documents were completed.

GSSNE Staff

Our staff has continued to focus our energy on the work we need to do internally to be the strongest, most effective, and joyous team possible in service to our Girl Scouts, young and old. Throughout the year, our staff participates in team-building, learning opportunities, and fun bonding (sometimes with a side of healthy competition).

In June 2024, we retreated to Camp Hoffman, where our full-time staff and seasonal camp staff came together to focus on building bridges between the two staff groups, communication, and giving and receiving feedback, led by Agile HR Advisors. We followed this with a service project: giving Hoffman House a thorough deep cleaning!

In May 2025, we adventured north to visit with our sister council, Girl Scouts of Maine. There, we participated in peer-to-peer learning, team health assessments, cross-council departmental SWOT analyses, and a national strategy review. We also had the opportunity to visit one of their properties, Camp Pondicherry.

This continued internal work has led to a record-high retention rate of 96.7% in fiscal year 2025, up from a record-low 55% during the Great Resignation just a few short years ago.

Cookies & Cocktails

In March 2024, Cookies & Cocktails made a big move to Farm Fresh in Providence! This dynamic and vibrant location allowed for more space to spread out, a live band, and allowed our restaurants to provide cocktail samples along with their dessert creations! We remained at Farm Fresh in 2025 for another great event, even adding a roaming oyster shucker. We're grateful for the continued support of the Rhode Island restaurant and hospitality industry!

Leading Women of Distinction

Each October, at the beginning of our fiscal year, GSSNE celebrates incredible women who exemplify the Girl Scout mission of building girls of courage, confidence, and character, who make the world a better place. We shine this Leading Women of Distinction spotlight because as a youth-serving organization, we focus on formative years—and we need to hold up examples of what is to come. We want our Girl Scouts of today to see women who show up as full human beings, who have experiences across sectors and geographies, diverse backgrounds and upbringings ... and who have excelled.

2023 Honorees

Anita Bruno
CEO/Founder, Women in the Trades

Lisa Guillette
Executive Director, Foster Forward

Dr. Deb Myers Meilun
Department of Obstetrics & Gynecology,
Women and Infants Hospital

Simona Simpson-Thomas
Superintendent, Highlander Charter School, and
CEO/Founder, Freedom Dreams LLC

Total Raised

$47,535

*Job titles are indicative of position at the time of the ceremony at which they were honored.

GLAMP

In 2024 we held our first GLAMP event—an all-inclusive women's retreat weekend at Camp Hoffman. GLAMP is a new form of giving, which highlights our natural resources and assets and gives our community members a chance to experience camaraderie and connections. Attendees experienced classic camp activities like archery and rock climbing; mind, body, soul activities like yoga, sound baths, and massages; arts and creativity like knitting, painting, floral arranging, and basket weaving. Our first event in 2024 was such a success that we repeated the event in 2025! All funds raised through GLAMP bolster our camp programs and properties, ensuring that future generations of girls continue to benefit from enriching outdoor experiences.

Total Raised 2024
$35,7421

Total Raised 2025
$30,775

Juliette Gordon Low Society

The Juliette Gordon Low Society, GSSNE's Planned Giving Society, is a group of individuals who will leave a legacy gift to GSSNE upon their passing. We honor those who have made such a lasting commitment to this incredible organization in order to ensure Girl Scouting for generations to come. Our Council is grateful for the thoughtfulness of the following individuals:

Carroll S. Adams
Susan E. Anderson
Erik Andersen & Eva Andersen
Stefanie Argus
Nancy Armstrong
Karin N. Aukerman

2024 Supporters

The 2024 Supporters list is reflective of fiscal year 2024 which is Oct. 1, 2023 – Sept. 30, 2024 and includes the names of those who have made gifts of cash, pledges, and/or securities within that timeline. This list does not reflect supporters who have purchased tickets to GSSNE events, and/or made silent auction item purchases. Please note, gift in-kind donations are reflected separately at the end of this report. We have made every effort to correctly identify our supporters. If omissions or discrepancies are noted, please contact Lisa Ducharme at lducharme@gssne.org so we may update our records.

2025 Supporters

The 2025 Supporters list is reflective of fiscal year 2025 which is Oct. 1, 2024 – Sept. 30, 2025 and includes the names of those who have made gifts of cash, pledges, and/or securities within that timeline. This list does not reflect supporters who have purchased tickets to GSSNE events, and/or made silent auction item purchases. Please note, gift in-kind donations are reflected separately at the end of this report. We have made every effort to correctly identify our supporters. If omissions or discrepancies are noted, please contact Lisa Ducharme at lducharme@gssne.org so we may update our records.
