

# GLAMP

## Women's Retreat Weekend | September 27-29, 2024 Sponsorship Opportunities

Dear Prospective GLAMP 2024 Sponsors,

Girl Scouts of Southeastern New England is excited to announce a new fundraising experience focused on spotlighting the beauty and uniqueness of the Council's iconic Girl Scout camps. GSSNE camp properties have provided thousands of youth with unforgettable experiences—fun, friendships, and proximity to the natural world—for generations. Now more than ever, spending time in nature is linked to many positive mental health outcomes, which is critical for youth today after the trauma of COVID and our country's subsequent mental health crisis.

**Less than 2% of our country's overall philanthropic support goes to organizations dedicated to women and girls. GLAMP is a new form of giving, highlighting our natural resources and assets while engaging new and existing community members through skill-sharing, camaraderie, and connections.**

GLAMP is a weekend retreat for women, a place to reconnect with nature for a good cause! All funds raised through GLAMP will bolster our camp programs and properties, ensuring that future generations continue to benefit from enriching outdoor experiences.
