

Volunteers Needed: Help Us Honor America's Oldest Ally!

Be part of history and help bring this unforgettable tribute to life!

Friday, July 10th
10:00am-12:00pm
King Park
Newport, RI

Join the **National Park Service** and the **Newport Historical Society** as we prepare for our annual “French in Newport” living history event celebrating the Franco-American alliance of the American Revolution. This year’s event is particularly relevant as the nation celebrates its 250th anniversary.

On Friday, July 10, 2026, volunteers will help place **6,000 French flags in King Park around the Rochambeau statue**—creating a powerful tribute to the 6,000 French soldiers and sailors who arrived in Newport with General Rochambeau to fight for American independence.
